

**JO EDUCATION**, formerly known as SFC Catania and originally called Enfapi Catania, is a training institution, accredited by the Sicilian Region, that has a twenty-year curriculum in the corporate training business.

Training represents an important competitive advantage for the development of the company, for this reason **JO EDUCATION** actively promotes aggregation and networking of enterprises by supporting the creation and development of new enterprises and promoting, inside the companies, a job culture which is attentive to the person and his integral development.

**JO EDUCATION** aims are:

- the promotion and development of relations between the labor market and the education and training systems;
- the promotion and qualification of the local labor market in all fields of production and services;
- the promotion of a culture of "lifelong learning" inside the local companies and in the labor market;
- the promotion of regional, national and community instruments to support education, training and employment;
- the support and development of innovative programs and projects, as well as good practices transferable to a regional, national and international level.

**JO Education** boasts among its members the JO Group companies.

**JO Group** is a system of companies which has its core businesses in fund raising, renewable energy, training and web applications.

**JO Consulting S.r.l.** has its core business in fund raising, at European, national and local level. It works in an international network composed by public and private research centres, small-medium and large companies, and public administrations. JO Consulting also provides tutoring services to support start-up enterprises as a business angel.
